

Sierra Space Corporation Indirect Terms and Conditions

1. ACCEPTANCE

These terms and conditions constitute Sierra Space Corporation's offer to Seller, and acceptance is strictly limited to its terms. Sierra Space shall not be bound by and specifically objects to any term or condition whatsoever that is different from or in addition to the provisions of this agreement, whether or not such term or condition will materially alter this agreement. Seller's commencement of performance or acceptance of these terms and conditions in any manner shall conclusively evidence agreement to the terms as written and shall create a binding agreement between Seller and Sierra Space.

2. DEFINITIONS

Whenever used in this agreement, (a) "Seller" means the person, firm or corporation furnishing the Goods or Services described in this agreement, (b) "Buyer" means a duly authorized Procurement representative of Sierra Space as stated in this agreement, (c) "Goods" means all goods, data, software and other items furnished or to be furnished to Sierra Space under this agreement; (d) "Services" means all services and service-related deliverables furnished or to be furnished to Sierra Space under this agreement; and (e) "Agreement" means these Terms and Conditions, and all of the specifications, technical descriptions, statements of work, purchase orders, drawings, designs, documents, other requirements and provisions attached to, incorporated into or otherwise made a part of this Agreement by the Buyer. Seller and Sierra Space are sometimes referred to herein individually as a "Party" and jointly as the "Parties."

3. MATERIALS AND PACKING

Goods provided under this Agreement shall consist of new materials (not used, reconditioned or remanufactured) unless otherwise authorized within this Agreement. Seller shall prepare and pack the Goods to prevent damage and deterioration, and comply with carrier tariffs. Charges for preparation, packing, crating and cartage are included in the price unless separately specified in this Agreement.

4. SHIPMENT/DELIVERY

Shipments or deliveries, as specified in this Agreement, shall strictly be in accordance with the specified quantities, without shortage or excess; the specified schedules; and the other requirements of this Agreement. Unless otherwise stipulated in this Agreement, partial deliveries and early shipments will be accepted. Seller shall promptly notify Sierra Space in writing of any anticipated or actual delay, the reasons therefore, and the actions being taken by Seller to overcome or minimize the delay. If requested by Sierra Space, Seller shall ship at its own expense via air or other expedited transportation method to offset the delay to the maximum extent possible.

Goods sold FOB place of shipment shall be forwarded with freight prepaid. Seller shall make no declaration concerning value of Goods shipped, except on Goods where tariff rating is dependent upon released or declared value, in which event Seller shall release or declare such value at maximum value within the lowest rating.

5. RISK OF LOSS

Unless the Agreement specifically provides otherwise, risk of loss or damage to Goods provided under this Agreement shall remain with Seller until, and shall pass to Sierra Space upon:

- (a) Delivery of the supplies to a carrier, if transportation is FOB origin; or
- (b) Delivery of the supplies to Sierra Space at the destination specified in the contract, if transportation is FOB destination

6. INSPECTION, ACCEPTANCE, AND TRANSFER OF TITLE

Seller shall only tender for acceptance those Goods and Services that conform to the requirements of this Agreement. Sierra Space reserves the right to inspect or test any Goods or Services that have been tendered for acceptance. Sierra Space may require repair or replacement of nonconforming supplies or re-performance of nonconforming services at no increase in the price of this Agreement. Items not rejected by Sierra Space within 90 days will be deemed accepted by Sierra Space. Title to any Goods delivered under this Agreement shall pass to Sierra Space upon Sierra Space's acceptance of the Goods.

7. SERVICES

Services that Seller will provide to Sierra Space, if any, shall be set forth in the Purchase Order and/or Statement of Work incorporated into this Agreement. The Services may include provisions of services and/or delivery of certain deliverables, reports or other items, which will be described in reasonable detail on the Purchase Order and/or incorporated Statement of Work. Services beyond those identified in the Purchase Order and/or Statement of Work are not authorized and shall not be performed without prior written approval from Buyer.

Sierra Space Corporation Indirect Terms and Conditions

Seller shall provide the Services: (a) in accordance with the terms and subject to the conditions set forth in the Agreement; (b) using personnel of required skill, experience and qualifications; (c) in a timely, workmanlike, and professional manner; (d) in accordance with generally recognized industry standards, or above, in Seller's field; (e) at such place and time as mutually agreeable; and (f) to the reasonable satisfaction of Sierra Space.

8. SIERRA SPACE PROPERTY

Seller shall clearly mark, maintain an inventory of, and keep segregated or identifiable all Sierra Space property and all property to which Sierra Space acquires an interest by virtue of the Agreement. Except for ordinary wear and tear, Seller assumes all risk of loss, destruction, or damage to such property while in Seller's possession, custody, or control, and will not use such property other than in performance of the Agreement without Buyer's written consent. Upon request, Seller shall provide Buyer with adequate proof of insurance against such risk of loss. Seller will notify Buyer if Sierra Space property is lost, damaged, or destroyed. As directed by Buyer, upon completion, termination, or cancellation of the Agreement, Seller shall deliver such property, to the extent not incorporated in delivered end products, to Sierra Space in good condition subject to ordinary wear and tear and normal manufacturing losses. At the request of Buyer, Seller shall execute any documents, including but not limited to financial statements, required by Sierra Space to protect its interest in this property.

9. PAYMENT

Seller's fees in connection with the Goods and/or Services shall be set forth in any applicable Purchase Order and/or Statement of Work and shall be paid in accordance with such Statement of Work and this Agreement. If applicable to the Goods and/or Services to be provided and specifically indicated in the Purchase Order and/or any Statement of Work, Sierra Space shall reimburse Seller in accordance with such Purchase Order and/or Statement of Work for actual and reasonable expenses incurred.

(a) T&M Orders

The amounts due to Seller hereunder will be paid upon the submission of monthly invoices in accordance with the payment terms specified within the Purchase Order. Invoices shall include Seller's certification to the effect that the amount contained therein is correct and just, and payment for the amount claimed has not been received previously or covered by a prior invoice.

- (1) Labor – The total labor amount shall be computed by multiplying the appropriate hourly rate or rates, as set forth in the Agreement, by the number of direct labor hours performed. Hourly rates shall be fully burdened and shall include wages, overhead, general and administrative expense and profit. Fractional parts of an hour shall be payable on a prorated basis. Unless otherwise specified, the hourly rate or rates shall not be varied by virtue of Seller having performed work on an overtime basis. No overtime shall be performed without Buyer's written authorization.
- (2) Materials– Seller will only submit invoices for the actual costs of materials. Reasonable and allocable material handling costs may be included in the charge for material costs to the extent they are clearly excluded from the hourly rate. SIERRA SPACE will not pay profit or fee on material costs. Seller shall be reimbursed for items and services purchased directly for this Agreement only when cash, checks or other forms of actual payment have been made for such purchased items or services.
- (3) It is estimated that the total cost to Sierra Space for the performance of this Agreement will not exceed the price set forth in the Purchase Order. Seller agrees to use its best efforts to perform the work specified in the Agreement and all obligations under this Agreement within the Purchase Order price. If at any time during the performance of this Agreement, Seller has reason to believe that the costs which will accrue in the performance of this Agreement in the next thirty (30) days when added to all other payments and costs previously accrued, will exceed eighty-five percent (85%) of the Purchase Order price, Seller shall notify Buyer in writing to that effect giving a revised estimate of the total price for performance of this Agreement including supporting reasons and documentation.
- (4) SIERRA SPACE shall not be obligated to pay Seller any amount in excess of the Purchase Order price, and the Seller shall not be obligated to continue performance, if to do so would exceed the Purchase Order price. Invoices received after 180 days of Goods/Services received will be at Buyer's sole discretion for payment.
- (5) At any time or times prior to final payment, Sierra Space may audit the invoices or vouchers and substantiating material as shall be deemed necessary. Each payment made shall be subject to reduction to the extent of amounts which are found by Sierra Space not to have been properly payable, and shall also be subject to reduction for overpayments, or to increase for underpayments, on preceding invoices or vouchers.
- (6) All claims for monies due or to become due from Sierra Space shall be subject to deduction by Buyer for any set off or counterclaim arising out of this or any other of Buyer's Purchase Orders with Seller whether such set off or counterclaim arose before or after any such claim or assignment by Seller.

b) Fixed Price Orders

Unless specifically set forth in Seller's proposal or quote and accepted by Sierra Space, the stated contract price shall include all charges for labor, packing, shipping, hauling, storage, and transportation to the point of delivery. No separate or additional charges for these items will be accepted.

Sierra Space Corporation Indirect Terms and Conditions

Unless otherwise authorized by Buyer, Seller shall not issue an invoice prior to the actual delivery date of Goods or Services. For Goods, Seller shall forward to Sierra Space, with the invoice, receipt or Bill of Lading signed by the carrier, evidencing the fact that shipment has been made. Payment due dates, including discount periods, shall be calculated from the date of the later of the scheduled delivery date, the actual delivery date, or the date of receipt of a corrected invoice. The cash discount period to Sierra Space, if any, will date from the later of (1) the receipt of a compliant invoice (not from date of the invoice) (2) the actual date of acceptance of the Goods or Services, or, (3) the delivery date specified in the Order. Unless freight and other charges are itemized, any discount shall be taken on the full amount of the invoice. Invoices shall be supported by such documents in such form as Buyer requests and shall bear such certification as may be required by law, regulations or the Purchase Order.

All payments are contingent on acceptance of the Goods or Services by Sierra Space. For Goods, Seller shall issue separate invoices for each shipment showing the amount of material shipped. Payment shall not constitute acceptance of the Goods. Payment shall be deemed to have been made on the date Sierra Space's check is mailed or payment is otherwise tendered. Seller shall promptly repay Sierra Space any amounts paid in excess of amount due Seller.

10. INVOICE

Invoices shall be emailed to Sierra Space Accounts Payable at SNCAccountsPayable@SNCorp.com. Hard copy invoices will not be accepted. The Seller shall submit an invoice to the address designated in the Purchase Order. Seller shall issue separate invoices for each shipment showing the amount of material shipped. All invoices must include:

- (a) Name and address of the Seller;
- (b) Invoice date;
- (c) Purchase Order number and, if applicable, the Purchase Order line item number;
- (d) Description, quantity, unit of measure, unit price and extended price of the Goods delivered, or detailed description of the Services, performed during the billed period;
- (e) Shipping number and date of shipment;
- (f) Terms of any prompt payment discount offered;
- (g) Name and address of official to whom payment is to be sent; and
- (h) Name, title, and phone number of person to be notified in event of defective invoice.

All billed Services must be within the scope of the tasks outlined in the Agreement. The Purchase Order is the sole basis for payment. Incorrect invoices will be returned unpaid. Accounts Payable cannot authorize or negotiate any changes to the Purchase Order. Contact the Buyer directly to resolve invoice discrepancies.

11. WARRANTY

Seller represents and warrants that:

- (a) Services provided under this Agreement are provided with a standard of care that is at, or above, the prevailing standard in the industry.
- (b) Goods provided under this Agreement are merchantable and fit for use. The Seller also warrants that the Goods will conform to any specifications set forth in this Agreement and/or accompanying documents. Seller agrees to replace or to correct promptly without expense to Sierra Space, including transportation and handling costs, any Goods not conforming to the foregoing requirements when notified by Buyer during a period of twelve (12) months after the Goods are placed in service or within twenty-four (24) months of when the Goods are delivered to Sierra Space, whichever is earlier. If Seller, upon notice of any defect, fails promptly to correct or replace Goods as required herein, Buyer may, without further notice, correct or replace such Goods and Seller agrees to reimburse Sierra Space for all costs incurred thereby. Goods that have been rejected, shall not thereafter be tendered for acceptance unless the former rejection and correction is identified and approved by the Buyer. Repaired or replacement Goods shall be subject to the provisions of this article to the same extent as the original. All warranties shall then run from the latter delivery date. Seller shall obtain from its suppliers, subcontractors, and vendors sufficient warranties to ensure that the entire Goods, as delivered to Sierra Space, is covered by a warranty that complies with the terms of this Agreement.
- (c) Software provided under this Purchase Order does not contain any viruses or other computer programming routines or defects that are intended to damage, detrimentally interfere with or expropriate any system, data, or information.

The requirements of this provision are in addition to any warranties required or implied by law.

12. PROPRIETARY INFORMATION

Sierra Space Corporation Indirect Terms and Conditions

In the event Sierra Space and Seller have entered into a Non-Disclosure (Proprietary Information) agreement (NDA/PIA) for the Purpose which the Purchase Order has been issued against and that NDA/PIA remains in effect, the NDA/PIA shall govern the treatment of proprietary information. If no NDA has been executed or if an NDA has expired, the following terms shall govern proprietary information exchanged between the parties:

Sierra Space and Seller anticipate that under the Agreement it may be necessary for either to disclose to the other information of a proprietary nature. Proprietary information that may be disclosed under this Agreement includes, but is not limited to, drawings, specifications, non-public product information, and other technical capabilities. Proprietary information shall be clearly identified by the disclosing party at the time of disclosure. All written proprietary information shall be marked as proprietary prior to disclosure.

Each of the parties agrees to use the same reasonable efforts to protect such information as is used to protect its own proprietary information, but in no case less than reasonable care. Disclosures of such information shall be restricted to those individuals who have a need to know and are directly participating in efforts related to the Agreement.

Neither party shall make any reproduction, disclosure, or use of such proprietary information except as follows:

- (a) Such information furnished by Buyer may be used by Seller in performing its obligations under the Agreement.
- (b) Such information furnished by Seller may be used by Buyer in performing its obligations under the Agreement.
- (c) Such information may also be used in accordance with any written authorization received from the disclosing party.

The limitations on reproduction, disclosure, or use of proprietary information shall not apply to, and neither party shall be liable for, reproduction, disclosure, or use of proprietary information with respect to any of the following conditions:

- (d) If, prior to the receipt thereof under the Agreement, the information has been developed independently by the party receiving it, or was lawfully known to the party receiving it, or has been lawfully received from other sources, including the Government (provided such other source did not receive it due to a breach of this clause) or was in the public domain prior to disclosure hereunder.
- (e) If, subsequent to receipt thereof under the Agreement, (i) the information is published by the party furnishing it or is disclosed by the party furnishing it to others without restriction; or (ii) it has been lawfully obtained by the party receiving it from other sources, including the Government, provided such other source did not receive it due to a breach of this clause; or (iii) if such information otherwise comes within the public knowledge or becomes generally known to the public.
- (f) If any part of the proprietary information has been or hereafter shall be disclosed in a United States patent issued to the party furnishing the proprietary information hereunder, then, after the issuance of said patent, the limitations on such proprietary information as disclosed in the patent shall be only that afforded by United States patent laws.
- (g) If the proprietary information is furnished orally, unless such proprietary information was identified as proprietary at the time of disclosure and reduced to writing and marked proprietary within fifteen (15) days of original disclosure and such writing is forwarded to the receiving party and actually received within fifteen (15) days of original disclosure.
- (h) If such proprietary information is obligated to be disclosed under order of a court of competent jurisdiction so long as prompt notice of the order is given to the other party.
- (i) If such proprietary information is disclosed with the written approval of the originating party.

The furnishing of any proprietary information by either party shall not be construed as granting to the other party either expressly, by implication, estoppel, or otherwise, any ownership or license right (other than the limited license to use the information internally for the purpose for which it was provided) under any invention, patent, trade secret, trademark, or copyright now or hereafter owned or controlled by the party furnishing same. The foregoing shall not impact any license or ownership right in information identified and set forth elsewhere in this document.

Seller shall upon Buyer's request or upon completion of this Agreement, whichever occurs first, promptly at its option: (1) destroy all proprietary information furnished in connection with the Agreement and certify such destruction; or (2) return all proprietary information furnished in connection with the Agreement, together with all copies or reprints then in Seller's possession and control, and Seller shall thereafter make no further use of nor disclose to others any such data or documents or any information derived therefrom without Buyer's prior written consent.

13. INTELLECTUAL PROPERTY INDEMNITY

Sierra Space Corporation Indirect Terms and Conditions

The Seller shall indemnify Sierra Space and its officers, employees and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign intellectual property rights, including patent rights, trademark rights, and copyright, arising out of the performance of this Agreement, provided the Seller is reasonably notified of such claims and proceedings.

14. INTELLECTUAL PROPERTY

If this Agreement is for the development of copyrights (specifically including images), patents, trade secrets, technical data, or other intellectual property (“Intellectual Property”), Seller hereby assigns to Sierra Space all rights in, title to, and ownership of Intellectual Property that is created, conceived, or first reduced to practice under this Agreement. Seller further warrants that it will obtain such rights and title, on Sierra Space’s behalf, f Sierra Space’s assigns.

If this Agreement is not for the development of Intellectual Property, Seller shall retain ownership of all Intellectual Property related to the performance of this Agreement

If any Intellectual Property or other data is delivered to Sierra Space as part of the performance of this Agreement to which Sierra Space will not receive ownership, the Seller hereby grants to Sierra Space a perpetual, irrevocable, sublicensable, transferrable, worldwide, royalty-free license to Sierra Space to make use of the Intellectual Property or other data in any way that Sierra Space sees fit.

SIERRA SPACE-Provided Intellectual Property: Any intellectual property, technical data, or other information owned by or provided by Sierra Space to Seller under this Agreement shall remain the exclusive property of Sierra Space. Seller shall treat this Sierra Space -provided or Sierra Space -owned intellectual property, technical data, and other information in accordance with the terms of the applicable non-disclosure agreement or Agreement provision concerning proprietary information. If there is no non-disclosure agreement or Agreement provision concerning proprietary information, Seller shall receive a limited, nonexclusive, revocable, non-transferrable, non-sublicensable license to this Sierra Space -provided or Sierra Space -owned intellectual property, technical data, and other information only for the period of performance of the Agreement and only permitting the intellectual property, technical data, and other information to be used to perform this Agreement.

SIERRA SPACE Name, Trademarks, and Images: For the sake of clarity, Seller has no right to use outside of performance of this Agreement any Intellectual Property which Sierra Space owns or receives ownership under this provision; this specifically includes Sierra Space images and trademarks. Nothing in this Agreement permits Seller to use publically or with any third parties Sierra Space’s name, trademarks or Buyer-owned images. Seller can only receive the right to use such names, trademarks, or images through a separate Agreement with Sierra Space. If Seller receives such a right to use Sierra Space names, trademarks, or images, such use must be consistent with Sierra Space’s usage guidelines, which will be provided if and when Seller is permitted to use Sierra Space names, trademarks, or images.

15. CHANGES

Changes in the terms and conditions of this Agreement may be made only by written agreement of the Parties. Buyer may from time to time in writing direct changes within the general scope of this Agreement. If any such change causes an increase or decrease in the cost of or the time required for performance of this Agreement, an equitable adjustment in the price(s) and schedule(s) of the Purchase Order shall be made to reflect such increase or decrease and this Agreement shall be modified in writing accordingly. Unless otherwise agreed in writing, any Seller claim for adjustment must be delivered to Sierra Space in writing within thirty (30) days after Seller receipt of such direction. Failure of Buyer and Seller to agree upon any adjustment shall not excuse Seller from performing in accordance with such direction. If Seller considers that Sierra Space conduct has constituted a change hereunder, Seller shall notify Buyer immediately in writing as to the nature of such conduct and its effect upon Seller’s performance. Pending direction from Buyer, Seller shall take no action to implement any such change.

16. NOTICE AND DESIGNATION OF RESPONSIBLE INDIVIDUALS

Notices given under the Agreement must be in writing signed by an authorized Buyer or Officer of Sierra Space or of Seller and will be effective upon receipt if sent by certified mail return receipt requested, by email, by facsimile transmission, or by a nationally recognized courier providing receipted delivery.

Seller shall not be paid for any work performed or costs incurred that reasonably could have been avoided.

- (2) **Termination for Cause.** Sierra Space may terminate this Agreement, or any part hereof, for cause in the event of any default by Seller, or if Seller fails to comply with any terms and conditions, or fails to provide Sierra Space, upon request, with adequate assurances of future performance. In the event of termination for cause, Sierra Space shall not be liable to Seller for any amount for supplies or services not accepted, and Seller shall be liable to Sierra Space for any and all rights and remedies provided by law. If it is determined that Sierra Space improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

In addition, Buyer may terminate the Agreement for default, in whole or in part, by written notice to Seller if (i) Seller becomes insolvent or makes a general assignment for the benefit of creditors or (ii) a petition under any bankruptcy act or similar statute is filed by or against Seller and not vacated within ten days after it is filed.

20. RELATIONSHIP OF THE PARTIES

- (1) **Independent Contractor.** Seller, in performance of this Agreement, is acting as an independent contractor and not as an employee or agent of Sierra Space and neither Seller, nor any employee, subcontractor, agent or representative of Seller (the "Seller Parties"), shall be considered an employee or agent of Sierra Space within the meaning or the application of any Federal, State or local laws or regulations. 22. INSURANCE

Seller, its subcontractors, and lower-tier subcontractors, agree to procure and maintain worker's compensation, comprehensive general liability, bodily injury, property damage insurance and professional liability, if applicable, in reasonable amounts that are consistent with industry practice and the specific loss potential related to performance of this Agreement, and such other insurance as Sierra Space may require. Seller further agrees (1) to notify Sierra Space of any obligation under this Agreement which is prohibited under any applicable law or regulation, specifically including environmental laws and regulations, at the earliest opportunity but in all events sufficiently in advance of Seller's performance of such obligation so as to enable the identification of alternative methods of performance, and (2) to notify Sierra Space at the earliest possible opportunity of any aspect of its performance which becomes subject to additional law or regulation or which Seller reasonably believes will become subject to additional law or regulation during performance of this Agreement.

25. ASSIGNMENT

Neither performance of this Agreement, nor any interest herein, nor any claim hereunder, may be assigned or delegated by Seller without the prior written consent of Sierra Space. Sierra Space's consent shall not be deemed to relieve Seller of its obligations to comply fully with the requirements hereof.

26. EXPORT COMPLIANCE

Seller agrees to comply with all applicable U.S. export control laws and regulations, including, but not limited to, the Arms Export Control Act, 22 U.S.C. §§ 2751-2799, the International Traffic in Arms Regulation (ITAR), 22 C.F.R. §§ 120-130, the Export Administration Act, 50 U.S.C. §§ 2401-2420, and the Export Administration Regulations (EAR), 15 C.F.R. §§ 730-744. In addition, Seller agrees that it will not transfer any export-controlled items, data, or services, to include the transfer to a foreign person employed by or associated with Seller or Seller's lower-tier suppliers, without the authority of an export license, agreement, or applicable exemption/exception. Seller agrees to notify Buyer if any Product under this Order is restricted under export control laws or regulations, if Seller becomes listed on any restricted party list including, but not limited to, the Denied Persons List, Unverified List, Entity List, Specially Designated Nationals List and Debarred List, or if Seller has any export privileges denied, suspended, or revoked by the government. Seller shall be responsible for all losses, costs, claims, causes of action, damages, liabilities and expenses, including attorneys' fees, all expenses of litigation and/or settlement, and court costs, arising from any violation of the above laws and regulations, or breach by Seller, its officers, employees, agents, suppliers, or subcontractors at any tier, of the obligations under this clause.

27. MATERIAL SAFETY DATA SHEETS

28. NON-WAIVER AND PARTIAL INVALIDITY

Any and all failures, delays or forbearances of either party in insisting upon or enforcing at any time or times any of the provisions of this Agreement, or to exercise any rights or remedies under this Agreement, shall not be construed as a waiver or relinquishment of any such provisions, rights or remedies in those or any other instances; rather, the same shall be and remain in full force and effect. Further, if any provision of this Agreement is or becomes void or unenforceable by law, the remainder shall be valid and enforceable.

Sierra Space Corporation Indirect Terms and Conditions

29. GOVERNING LAW

This Agreement and the performance thereof shall be governed by the laws of the State of Nevada.

30. TAXES

All rates provided herein include all federal, state, and local taxes. Seller shall provide Buyer with the appropriate IRS Form W-8 (e.g., W-8BEN, W-8BEN-E, W-8IMY, etc.) if the Seller is a non-US entity or IRS Form W-9 if the Seller is a US entity. If Seller fails to provide one of these forms, Sierra Space may be required under by the Internal Revenue Code to withhold a portion of the amounts due to the Seller. If Sierra Space is required by law or regulation to make such a withholding, Seller hereby consents to the withholding and agrees that it shall not constitute a breach of this Agreement

31. DISPUTES/ARBITRATION

The parties will attempt in good faith to resolve any controversy or claim arising out of or relating to this Agreement informally. If the matter has not been resolved pursuant to informal negotiations, such controversy or claim shall be resolved by means of binding arbitration before a single neutral arbitrator in accordance with the then existing Commercial Arbitration Rules of the American Arbitration Association, including the Optional Rules for Emergency Measures of Protection. The parties shall mutually agree upon the individual who shall act as arbitrator. If the parties are unable to agree upon a neutral arbitrator, a list of potential arbitrators (no more than 10) shall be obtained by Sierra Space from the American Arbitration Association. The parties, starting with Sierra Space, will alternately strike names from the list until only one-name remains; the remaining person shall be the arbitrator.

No demand for arbitration may be made after the date when the institution of legal or equitable proceedings based on such claim or dispute would be barred by the applicable statute of limitation. The arbitration shall be held in Washoe County, Nevada or any other place agreed upon at the time by the parties. The arbitrator is not authorized to award punitive or other damages not measured by the prevailing party's actual damages.

A party may apply to the arbitrator for injunctive relief until an arbitration award is rendered or the dispute is otherwise resolved. A party also may, without waiving any other remedy, seek from any court having jurisdiction any interim or provisional relief that is necessary to protect the rights or property of that party pending the arbitrator's appointment or decision on the merits of the dispute. The arbitrator's compensation and costs shall be shared equally by the parties.

The prevailing party in any such arbitration shall be entitled to recover its reasonable attorney fees and costs incurred in such proceeding from the non-prevailing party.

Until final resolution of any dispute hereunder, Seller shall diligently proceed with performance of the Agreement as directed by Sierra Space.

32. FORCE MAJEURE

Neither party shall be liable for damages for delay in delivery arising out of causes beyond its reasonable control and without its fault or negligence, including, but not limited to, acts of God or of the public enemy, acts of any Government authority, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, or unusually severe weather. If the delay is caused by the delay of a subcontractor of Seller and if such delay arises out of causes beyond the reasonable control of both Seller and the subcontractor, and without fault or negligence of either of them, Seller shall not be liable to Sierra Space for damages unless the articles or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Seller to meet the required delivery schedule. Seller will notify Buyer in writing within ten (10) calendar days after the beginning of any such cause.

33. NEWS AND PUBLIC STATEMENTS OR RELEASES

Seller shall not make, deny or confirm any public statements, news releases, advertisement, media interviews or public announcements (collectively, "Public Release") concerning the Agreement, the subject matter of the Agreement or any phase of the program hereunder unless Sierra Space, in its sole and absolute discretion, provides Seller with advance written approval of such Public Release. In furtherance of the foregoing, Seller shall submit the requested Public Release and detailed information concerning the applicable forum, publication or media outlet in writing to Buyer no later than fifteen (15) business days prior to the requested release date.
